“When it comes to leadership, one size doesn't fit all. Why? Because it doesn't bring everybody on the journey and it doesn't capture the full palette of talent.”

HELENA ZIKOVA

Join me on this journey and explore a new kind of Leadership Model. One that allows female leaders to unlock their full potential and drive change with purpose, humility and authenticity.

Your Retreat LEADER

Helena Zikova is a New Age Leadership Mentor, Author and Coach, as well as Senior VP of Sales in a Fortune 500 company. Over the last decade, she has moved countries, industries, and jobs, working with extraordinary leaders across the globe. Combining her experiences with extensive research, Helena is determined to help leaders on their way towards New Age Leadership, using her proven M.A.P. Method.

With her new book "Dear Monsters: Redefining Leadership for Millennials and GenZers" she provides a practical guide for young professionals to accelerate their careers with maximum impact.
